St. Joseph Catholic School strives to teach everyone to know, love, and serve God through spiritual development, academic pursuits, and community service.

From the Principal...

May is such a fun time to be around St. Joseph Catholic School. The weather is finally warming up and there's all sorts of special events taking place. Remember to frequently check for information about what's going on at school so you and your child can be fully prepared for everything.

I neglected to say "Thank You" last week to everyone who was able to contribute to our St. Joseph Table for the Feast of Saint Joseph last week. With the celebration falling on a Monday, I was worried that folks might forget about it over the previous weekend—boy, was I wrong! We had lots of treats for the students, and lots of bread donations for Our Daily Bread. Thank you for helping to make our patronal feast day special for the entire St. Joseph Family. Thanks, too, to parent volunteers who were able to help set up and serve food to students.

Tomorrow is the annual May Crowning Mass at St. Joseph Catholic School. This is our Mother's Day celebration for our heavenly mother, Mary. Everyone is invited to bring one flower (of any kind) to School Mass tomorrow in honor of the Blessed Mother. One of the Second Graders will put the May Crown on a statue of Mary at Mass. As with all our School Masses, you are most welcome to join us!

Congratulations to all of the students who performed in a solo or ensemble last week at Tri-State. I am glad that so many students are encouraged by their families and their school to be exposed to music and the arts. This Thursday after Morning Prayer, the Tri-State students will perform their music piece for the rest of the students as well as any parents and family that would like to come and listen. I think it takes a lot of courage to get up in front of a judge or your peers to musically perform, so hats off to this year's Tri-State participants. You make the St. Joseph Family proud!

St. Joseph Catholic School is hosting a Volunteers Breakfast on Friday morning. It's a come-and-go event, so please stop by if you are able. Our school simply COULD NOT FUNCTION without volunteers willing to share the gift of themselves to our students and teachers. Moreover, you help to build up the St. Joseph Family by creating a genuine family atmosphere at school. May God richly bless you for your kindness and generosity!
