

St. Joseph Catholic School ~ Enid, Okla.

Saints in the Making!

VOLUME 17, ISSUE 32

APRIL 10, 2018

St. Joseph Catholic School strives to teach everyone to know, love, and serve God through spiritual development, academic pursuits, and community service.

From the Principal...

I want to extend a word of thanks and gratitude to the teachers, staff, parents, and parishioners who have collaborated on our Accreditation Self-Study this spring. Besides all of the extra work that everyone is asked to do in conjunction with the Self-Study, the participants have demonstrated a great deal of passion for St. Joseph Catholic School and a real investment in the future growth of the school. To me, that's the difference at St. Joseph Catholic School: the people. As with any group of passionate people, we will have disagreements as to how best to improve the school. But, let's all keep in mind, if God's will is to be done at St. Joseph Catholic School, it must be through each of us working together. Thank you especially to Mrs. Streck, who is the Steering Chair for the Self-Study, for guiding the committee work and fostering beneficial discussion and strategies for school improvement. All of our teachers and staff as well as many parents and parishioners are really working hard. Thank you all for striving to teach everyone to know, love, and serve God through spiritual development, academic pursuits, and community service.

The School Advisory Council has been in the process of creating and approving a new Strategic Plan for the school. A strategic

plan outlines goals, aspirations, and specific, measurable benchmarks for the school to achieve over a set period of time. Once the final draft has been approved by the S.A.C. and the Pastor—hopefully next week—I will be distributing to each family a copy of the Strategic Plan, because a plan that sits on a shelf, collects dust, and is not put into practice is of no use (much like the Bible!). In order for St. Joseph Catholic School to grow and serve families over the next three to five years, we need a road map, a compass to direct our course and steady our vision. You and your family are important passengers to help steer us in the right direction. I'm excited about the future of St. Joseph Catholic School, and we want you to be as well! Thank you for choosing to be a part of a dynamic, growing Catholic school family.

Please mark your calendars for the upcoming La Kermesse on April 29th. Please note the La Kermesse is on a Sunday this year. Everyone is invited to attend and participate in this school fundraiser that is also a fun-filled family event for the entire community. The more participation by the St. Joseph Family, the more money and fun we can generate! We'll see you and your family there on April 29th.
