

St. Joseph Catholic School ~ Enid, Okla.

Saints in the Making!

VOLUME 17, ISSUE 29

MARCH 13, 2018

St. Joseph Catholic School strives to teach everyone to know, love, and serve God through spiritual development, academic pursuits, and community service.

From the Principal...

We hope to see lots of you and your friends this Saturday for Saints on the Go! As of this writing, the weather looks to be favorable, but let's pray for good weather anyways. We are still signing people up—even on the day of the race. I may be a little biased, but I like the St. Patrick's Day theme. It's fitting for a Catholic school. It's also a family-friendly event, so come on out to St. Gregory's on Saturday. Thank you to the event chairpersons, Lezlie Meibergen and Courtney Green, as well as all volunteers who have helped them for putting everything together for the benefit of St. Joseph Catholic School!

On Thursday afternoon, St. Joseph students and teachers are taking a break from classroom lessons to gain an important life lesson: the need to serve others. For several years now, St. Joseph Catholic School has been dedicating a day during Lent for service. On Thursday, we will create an assembly line in the Leven Center to bag, weigh, and seal food to be shipped to school-

children in Haiti through an organization called Stamp Out Starvation out of Cherokee, Oklahoma. We will be doing this from 12:30 to 3:00, and we invite parents to join us in this spirit of service. We really need help from adults as there are some aspects of the assembly line that require heavy lifting. If you know you can help us, even for as little as a half-hour, please contact the office or just arrive ready to work on Thursday afternoon. This service project teaches the students a lesson about service that a textbook could never teach, especially when the students see their parents and teachers joining together in such a large effort.

As you probably know, next week is Spring Break and there are no classes scheduled March 19-23. Please enjoy a break from school. I say this to the students, parents, but especially to our teachers. Your St. Joseph teachers bring their best effort to school each and every day despite challenges, illnesses, fatigue, family demands, and everything. Thank you to our hard-working teachers!
